VIVATECH IS PROUD TO ANNOUNCE THE PRESENCE OF ELON MUSK, 14-17 JUNE, PARIS

CONVERSATION WITH MAURICE LEVY, ON STAGE

Paris, Washington DC, 12.06.2023, 01:51 Time

USPA NEWS - Notorious Elon Musk, boss of Tesla, Space X and recently owner of Twitter, confirmed his presence at the 7th edition of the VivaTech show. It is Maurice Levy, chairman of the supervisory board of Publicis groupe, and founder of the event with the group Les Echos-Le Parisien, who will do the conversation with him, on stage. Since his recent visit to Paris and Versailles, at the Choose France Summit, Elon Musk had been invited to the Elysee Palace, received exclusively by the President of the Republic. Since mid-May 2023, American billionaire Elon Musk has said he is "confident that Tesla will make significant investments in France in the future", on the sidelines of the summit at the Palace of Versailles. "I won't be making an announcement today, but I'm very impressed with President Macron and the French government, how welcoming they are to the industry. So I'm hopeful that Tesla will make some significant investments in France", explained Elon Musk. , he also replied to journalists, at the end of an exchange with the French Minister of Economy and Finance, Bruno Le Maire.

President Emmanuel Macron will also participate in VIVATECH on June 14, faithful to this unmissable TECH meet

ACCORDING TO MAURICE LEVY, "EMMANUEL MACRON IS AN "INNOVATION" ACCELERATOR

Maurice Levy, (Ex CEO, of Publicis Groupe, VP of the Board) co-founder of ViVatceh with Pierre louette CEO of the media group Les Echos, had already mentioned the role of President Macron in 2017 "Emmanuel Macron is an accelerator of innovation "...It recalls its beginnings at this major Tech fair, versus the CES in Las Vegas "Viva Technology can, on the other hand, become a very large global event devoted to innovation. I have been carrying this project within me for more than ten years. It began to materialize when I organized, during the G8 in Deauville in May 2011, an "e-G8" with the biggest names in digital "... "A conviction that recent initiatives such as French Tech, under the impetus of Emmanuel Macron when he was Minister of the Economy, have reinforced. He adds, always avant-garde in his remarks in 2017 "He embodies a hope. He affirms that it is not a sin to earn money, to be an entrepreneur and even to want to be a billionaire. This speech was terribly lacking. You will see, an economic crystallization will take place. (Source: Interview, Le Temps, 13 June 2017)

Among the other speakers are expected the technical director of Amazon Werner Vogels, the general manager of Orange Christel Heydemann as well as the bosses of Paypal Dan Schulman, Alibaba J. Michael Evans or the billionaire French CEO of LVMH, Bernard Arnault whose media appearances are rare. On the sporting side, Tony Estanguet, head of the organizing committee for the 2024 Olympics in Paris, will of course also be present, 400 days before the Olympic and Paralympic Games take place in Paris, in August 2024.
